(Add lines as needed)

Do any membership positions need to be replaced at this time due to non-attendance or a leave of members? If so, which positions? (This assumes proper notice was provided per the Procedures Manual; example correspondence and explanation of notice may be found in the [Committee Chair Tool Kit](#).)

The Executive Committee establishes charges for each standing committee and may amend them as needed; alternatively, the standing committee may propose amended charges, composition, etc., by making a written proposal and sending to the Faculty Senate office faculty senate@unt.edu.) Do your committee charges remain relevant? If not, what changes to the charges do you propose?

Accomplishments (including items submitted for review or approval to the Executive Committee or Faculty Senate):

A committee meeting was held on September 27, 2024 to discuss results from Spring 2024 survey and plans going forward. Chair presented information that Provost would like the survey to be done a little earlier in the spring semester so that Associate Dean and Department Chair results can be incorporated into their annual appraisals by the Deans. Committee will meet in January to plan deployment of Spring 2025 survey. Committee Chair met with the Faculty Senate EC in September to discuss making numerical results of survey available on the faculty senate website. Chair committed to creating document that contains results of Likert scale questions to post on the website. Phase 1 of the document was emailed to Faculty Senate admin support in November 2024 which contains survey results for UNT's President, Provost, Vice Presidents, Vice Provosts, and Deans. This document was included in meeting packet for November Faculty Senate meeting for senators to share with their constituents. Phase II with survey results for department chairs will be complete before the beginning of the spring semester.

Ongoing/future projects:

Survey results for department chairs will be provided to Faculty Senate in January. Committee will meet to plan deployment of survey in Spring 2025. Date needs to be coordinated with other Faculty Senate activities including elections.
