Do any membership positions need to be replaced at this time due to non-attendance or a leave of members? If so, which positions? (This assumes proper notice was provided per the Procedures Manual; example correspondence and explanation of notice may be found in the [Committee Chair Tool Kit.](#))

No

The Executive Committee establishes charges for each standing committee and may amend them as needed; alternatively, the standing committee may propose amended charges, composition, etc., by making a written proposal and sending to the Faculty Senate office facultysenate@unt.edu.) Do your committee charges remain relevant? If not, what changes to the charges do you propose?

No, it appears some changes may be needed – from our minutes:

Discussion of Committee Charges as found at <https://facultysenate.unt.edu/standing-committees/committee-faculty-participation-governance.html>

- Do we need to look at the charge to work with equity and diversity on EEO training? Is this still active?
 - Adam will look into this.
- Our last bullet point – there are committees that do not exist anymore. Do we need to eliminate some of those? And maybe some new ones do exist?
 - Adam will look into this and reach out to existing committee heads about any possible issues.

Accomplishments (including items submitted for review or approval to the Executive Committee or Faculty Senate):

Held our first meeting in October. Minutes submitted along with this form.

Ongoing/future projects:

We are waiting for a report from the Charter and Bylaws Committee before we meet next, because our main focus is on recent legislation and its impact on our charge, that is, on faculty participation in governance.
